

LEVEL 3: Premium On-Site Styling

Price determined based on the scope of the project.

For those who want a finished result without having to carry out the styling and furnishing themselves.

INCLUDES:

- In-depth room assessment
- Mood board
- Color and material specification (NCS)
- Multiple photorealistic 6K renderings
- Floor plan (top view)
- Lighting plan
- Budget overview
- Video consultation and ongoing communication throughout the process
- On-site visit and measurements
- Final furnishing plan tailored to the room
- Exact product selection (furniture, textiles, decor)
- Purchasing and order management (approved by the client before execution)
- Furnishing and placement
- Final on-site styling

Payment: 40% at booking, 40% before purchasing, 20% after completed styling

For Level 3, the following is **required:**

- Access to the home for measurements
- Budget approved before purchasing
- Ability to receive deliveries

If needed: access to keys before furnishing and styling
